## Person completing this application

When applying for insurance, you must disclose any material facts or relevant information to the insurer, and the answers you give must be true and complete. A fact is material if it would influence the insurer in deciding whether or not to accept an application for insurance and if so, on what terms. If you are in doubt about whether a fact is material or not, you should disclose it.

## Privacy Statement

Stamford Insurance is committed to safeguarding your privacy and the confidentiality of your information. We will only request information from you which is relevant to the insurance being applied for and will only disclose that information to the insurers and other professionals who are working with us, and who will be similarly bound in confidentiality. I am aware that the Privacy Act 1993 entitles me to have access to and request correction of this information.

## Declaration by the Proposer

I/we declare to the best of my/our knowledge, the information I/we have given is true, correct and complete in every detail and I/we have not withheld any material fact.

I/we understand that the completion of this form does not bind us to effect Building Warranty Insurance with Stamford but agree that should the quotation be accepted, this proposal and the statements made herein shall form the basis of the contract between me/us and the Underwriter.

I am aware that the Privacy Act 1993 entitles me to have access to and request correction of this information.
